Flower Garden Crochet Blanket

"This baby blanket is made with flower motifs that are joined as you go, no sewing necessary! They are then filled in with small, green, leafy motifs in the spaces left between the flowers."

Skill level : Intermediate

Crochet Hook: 6.0 mm

Yarn Weight(4) Weight/Worsted Weight and Aran (16-20 stitches to 4 inches)

Crochet Gauge Finished Flower Motif is 6 inches across.

Finished Size Sample is 30x36 inches, can be made bigger or smaller.

Crochet Flower Motif:

Ch 6 and join to make ring

Round 1: ch 3 (counts as first dc), 15 dc, slip stitch to top of ch 3 (16 dc)

Round 2: ch 5 (first dc + ch 2), dc in same stitch, [skip 1, (dc, ch 2, dc) in next stitch] repeat around, skip last stitch, slip stitch to 3rd ch of starting ch to join (16 dc, 8 ch spaces)

Round 3: starting in the next ch 2 space, ch3, (dc, ch 2, 2 dc) in same space, sc between next 2 dc, [(2dc, ch 2, 2 dc) in next ch space, sc between next 2 dc] repeat around (32 dc, 8 sc, 8 ch 2 spaces)

*Round 4 is the final round and is the round used to join the motifs, work the first flower normally and then each flower after join the petals that are touching each other following instructions below. Each time flowers are joined together you will join them with 2 petals. See the picture above for a closer look at where the joins are made.

Round 4: slip stitch over to next ch space, 3 ch (counts as dc), 6 dc in same space, sc in next sc, [7dc in next ch space, sc in next sc], repeat around, join to first ch 3 with a slip stitch

To join flower motifs, work round 4 normally except each time you get to a petal that needs to be joined to another you will work the first 3 dc, then with the 4th dc wrap yarn around hook, insert into 4th dc of the petal you are joining to, pull up a loop, insert hook into ch space, pull up a loop, yarn over, pull through 2 loops, yarn over, pull through 3 loops, work the last 3 dc to form your petal, repeat on the next petal and as many petals as need to be joined, continue other petals as normal.

Join the flower before making the leaf motifs, add the leaves in after all 4 flowers surrounding it are connected. You will basically be using the leaves to fill in the gaps left after joining the flowers.

Crochet Leaf Motif:

ch 4, join to make a ring

Round 1: ch 1, [2 sc, ch 2] 4 times, slip stitch to first sc to join

Round 2: ch 1, sc in each sc, [slip stitch in ch space, ch 3, slip stitch to sc between to flower petals, ch 3, slip stitch in same ch space, sc in each sc] repeat around to join leaf to each of the 4 flowers surrounding it.

Once you have joined all of your flowers and filled in all of the leaf motifs you just need to weave in all of the ends and you are done with your blanket.

PATTERN INSTRUCTIONS —

The Tu's Legs → Body → Attach Arms → Head

- Worked from bottom to top

- Work in continuous rounds, do not join or turn unless noted in pattern.

Starting with the left leg...

With color & hook of choice, work magic ring, ch 1 to secure ring.

Pick up both legs and position them so that they are facing the same direction.

Insert hook in next st of right leg as well as the next st of left leg, work 1 sc to connect them together. This 1 sc you just made will NOT count toward your stitch count. Next, work 1 sc in same st —this is your starting point so place your stitch marker here. Your next sc will be on the left leg (leg on your left side). Continuing around, working 1 sc in each st from left to right leg, making sure to omit the connecting st mentioned earlier. (12)

Stuff with fiber fill as work progresses.

Rounds 5-8: 1 sc in each st around (12)

Have the arms ready as we will be attaching them in the next round!

Round 9:

Then, work 1 sc in next 4 sts. Next, attach the other arm the same way in the next 2 sts. Lastly, work 1 sc in last 2 sts. (12) Be sure to stuff the body. We will work on the head now.

Lamb Baby Mobile Free Crochet Pattern

A DIY baby mobile offers a great project idea to prepare for the arrival of a little one. This crochet amigurumi pattern features multicolored, fluffy lambs that you can hang from string to delight your baby from above. The lambs look great hanging beneath clouds, giving off a great soft vibe for your baby. However, the plushness of the furry yarn makes this a good option for a stuffed animal also. This pattern may take a while to complete, so this free crochet pattern will be a fun challenge. Even better, this is a great gender neutral baby shower gift because of its universal cuteness.
