### 3 Strand Crochet Headband

Get away from the fat headband fad by going back to basics with this 3 Strand Crochet Headband. It still has the same functionality and cute factor as the others, but instead has the skinny look with three different strands. Each is crocheted together at the end and can be tied off tight or loose when being worn. This cute hair accessory is great for girls and is both stylish and unique!

Skill level: Easy

Crochet Hook: 6.0 mm

Yarn Weight(4) Medium Weight/Worsted Weight and Aran (16-20 stitches to 4 inches)

#### Materials:

- 3 colors of yarn (or you could do all the same color if you'd like) – I used a mix of yarns: white, light and dark purple.
- Crochet Hook – 6.0 mm.
- Scissors

#### Directions:

Ch = chain, sl st = slip stitch (U.S.)

1. Measure the head of the person you are making the headband for.
2. Leaving at least a 6" tail of yarn, using the chain stitch, make a chain 3" less than your desired length. Keep your tension consistent along the entire chain – medium to firm tension.
3. Now add in your new color, making sure to leave at least a 6" tail of yarn. Once you change to your new color, cut off you end of yarn from the first chain you made so that there is at least a 6" tail.

## 9 Radiant Crochet Headband Patterns

4. Chain the new colour until it's the same length as the first ( to check, grab the end where the 2 colors were joined, hold the cut ends and fold the second color over so that the 2 chains are now side by side).
5. When the 2 chains are the same length, connect them by making a slip stitch into the last stitch of the first chain.
6. Add in the third chain color by following steps 3 – 5.
7. Trim the final color yarn end so that there is at least a 6" tail.
8. Take the 3 loose cut ends and braid them together and then tie off with a knot on the end. Repeat again on the other end.
